Embryo Freezing Consent

This document confirms your agreement regarding the freezing and storage of any suitable embryos not used in a fresh transfer, including how long they may be stored.

Patient: Layla Hassan (demo)

Signed: 7 June 2026 (demo)

Sample document for the demo build of the patient portal, to show how a signed consent would appear. It contains no real patient information. In the live system the actual signed PDF is uploaded by clinic staff and shown read-only to the patient who signed it.
